YEAR OF TOLERANCE

Tolerance in the Context of Legislative and Judicial Systems

23 - 25 April 2019

Abu Dhabi, United Arab Emirates

Dusit Thani Hotel

An international conference providing an in-depth exploration of the ideas of tolerance, human fraternity and dignity from legal, philosophical, and religious points of view. Scholars, including human rights, constitutional law experts and judges from around the world will come together to address practical implementation strategies for Gulf-region legislative frameworks. Particular attention will be directed towards implementation of the principles contained in the recent Abu Dhabi Declaration signed by His Holiness, Pope Francis and the Grand Imam of Al Azhar, Dr. Ahmed Al-Tayyeb, on human fraternity and peace and in the Punta del Este Declaration on Human Dignity for Everyone Everywhere.

This conference is a joint initiative of the Ministry of Tolerance, United Arab Emirates, the International Center for Law and Religion Studies, Brigham Young University, USA, and the United Arab Emirates University College of Law. The conference will focus attention on this important topic during the UAE's Year of Tolerance consistent with the sixth pillar established by the Supreme National Committee for the Year of Tolerance, which focuses upon legislative and policy-oriented objectives that contribute to the promotion of religious and cultural tolerance.
