VITI

Logon ko matbhed hote huwe bhi shaantipurwak ek saath rehne me saksham hona chahiye. Isi tarah, log ek dharm ki sthaapna ke liye, kisi maajuda dharm ka paalan karne ke liye, yaa apni dhaarmik taallukh ko badalne ke liyeek saath aa sakte hain. Yah dhyaan dene yogye hai ki Sanvidhaan ke tahat dhaarmik aazaadi anye vyaktiyon ke adhikaarom aur aazaadi ki raksha, saarvajanik vyavastha aur saarvajanik padeshani ko rokne ke liye baadhaaon ke aadheen ho sakti hai.

Iske alaawa, Sanvidhaan ke article 22 me maalik ko apne karmchaariyon par dhaarmik daayitavon(obligations) ko laagoo karne ya karmchaariyon ko us vyakti ke dharm ya vishwaas ke vipreet kisi bhi maamle me kaarye se rokne ka prabhaav hai.

Karmchaariyon ko apne maaliko ke saath un stithiyon par charcha karne chaahiye jo sambhaavit roop se dhaarmik paalan aur/ya praathna ko prabhaavit kar sakati hain, aur maaliko ko karmchaariyon ke dhaarmik vishwaason aur unke vishwaason ki abhivyakti ko samaayojit karne ke liye kaam karna chaahiye. Yah ek santulit kaarye hai jo sabhi karmchaariyon ke raae se kiya jaata hai.

12. KYA MAI APNE DHAARMIK VISHWAASON KE KAARAN KAAM KARNE KE LIYE DHAARMIK KAPDE PAHAN SAKTA HOON YA VARDEE KA HISSA PAHENNE SE INKAAR KAR SAKTA HOON?

Jabki ye adhikaar vishesh roop se kaanoon dwara sanrakshit nahin hain, Sanvidhaan dharm ki aazaadi ke liye pradaan karta hai aur ERA 07 aur HRADA 09 rozgaar me dhaarmik-aadhaarit bhedbhaao par rok lagaata hai. Dhaarmik vishwaason ya prathaon ke kaaran utpann hone waali kisi bhi aavashyakta ya vishesh paristhitiyon ke baare me karmchaariyon ko apne maaliko ko sahi samay par soochit karna chaahiye. Yah maalik ko aisee paristhitiyon se avgat hone aur karmchaariyon kee dhaarmik aazaadi ka paryapt roop se sammaan karne ki anumati deta hai.

15. KYA CHHAATR APNE DHAARMIK VISHWAASON KE KAARAN SKOOL YA SHEJIULD SKOOL GATVIDHIYON ME BHAAG LENE SE PARHEJ KAR SAKTE HAIN?

Fiji mein baarah varsh tak chhaatron ke liye anivaary(mandatory) shiksha hai. Dhaarmik vishwaas ke kaaron se is aavashyakta ko maaf nahin kiya ja sakta hai.

Maata-pita ya gaadiyan ke likhit not dwaara skool se anupasthiti ko uchit thehraaya jaana chaahiye. Yadi koi skool niyमित roop se aisi gatvidhiyaan aayojit kar raha hai jo kisee chhaatr ke dharm ya vishwaas ke vipreet hain, to yah sanvaidhaanik ullanghan ya adhikaaron ke ullanghan ka pratinidhitv kar sakta hai aur ise skool ke saath uthaaya jaana chaahiye. Yadi is chinta ko us starr par hal nahin kiya ja sakta hai, to ise upyukt hone par, oopar 5 me hailait kiye gaye foram me se kisi ek ko sambhaavit roop se aage badhaaya ja sakta hai.

16. KYA CHHAATR APNE DHAARMIK VISHWAASON KE KAARAN SKOOL KI YUNIPHORMS ME BADLAAO LAA SAKTE HAIN?

Ise sambodhit karne waala koi spasht kaanon nahin hai, lekin Sanvidhaan aur HRADA 09 ke tahat, skool chhaatron ko unk maanyataon ke anuroop skool yuniphorm me badlaao laane se nahin rok paenge. Udaaharan ke liye, ek skool kisi muslim chhaatr ko hijaab pahanne se nahin rok sakta hai, ya iske vipreet, kisi gaer-muslim chhaatr ko hijaab pahanne ke liye majboor nahin kar sakta hai yadi vah unkee apni maanyataon ke vipreet hai.

SENA AUR SAARVAJANIK SEWA

17. KYA ANIVAARYE (MANDATORY) SENYA YA PUBLIK SEWA HAI, AUR YADI HAAN, TO KYA KOI DHAARMIK CHHOOT HAI?

DHARM AUR NYAAY

18. KYA MAI APNE DHAARMIK VISHWAASON KE KAARAN KAANOONI KAARWAHI ME SHAPATH LENE SE BACH SAKTA HOON?

Haan. Jab aap ek gawaah ke roop me adaalat me pesh hote hai, to aap kaanoon ke tahat shapath lene se door rahne ke hakdaar hote hain. Iske bajaay aapko ek (gaer-dhaarmik) pratigya lena padega.

19. KYA NYAAYAADHEESH (JUDGES) APNE DHAARMIK VISHWAASON KE AADHAAR PAR NIRNAY LE SAKTE HAIN?

Nahin.

20. KYA DHAARMIK NETAON KO VISHWAAS ME LEKAR DIYE GAYE BAYAANON KE LIYE KOI SURAKSHA HAI?

Fiji me aisa koi kaanoon nahin hai jo aisi koi suraksha pradaan karta ho.

Nyayalayan (Courts) me iska pareekshan nahin kiya gaya hai. Is prakaar, yah sambhav hai ki Common Law me suraksha ho sakti hai.

ANTARAASHTRIYE KAANOON ME DHAARMIK AAZAADI

Pratiek desh me dhaarmik aazaadi ki suraksha ke alaawa, is adhikaar ki raksha karne waale vibhinn antaraashtriye ulkaran ya kaanooni kaagzaat bhi hai. 1948 me, Universal Declaration of Human Rights dwara dharm aur naetik bhaao ki aazaadi ka adhikaar pesh kiya gaya tha. Tab se, antaraashtriye starr par is adhikaar ko sthaapit karne aur badhaane waali vibhinn vachanein aur sammelan huwe hain.

ANTARAASHTRIYE KANOON KE TAHAT MUJHE KYA SURAKSHA MILTI HAI?

Antaraashtriye upkaran yeh sthaapit karte hain ki sabhi log kaanoon ke samaksh samaan hai, chaahе unka dharm kuch bhi ho. In kaanoono me yeh bhi kaha gaya hai ki dharm ke aadhaar par kisi ke saath bhedbhaao nahi kiya jaa sakta hai kyunki yeh maanaviye aan ke khilaaf apraadh hai aur maanav adhikaaron aur awashyak aazaadi ke ullanghan ke rup me uski ninda ki jaati hai.

IN ANTARAASHTRIYE UPKARANON ME KAUN KI AAZAADIYAAN SHAAMIL HAI?

- **Vichaar, naetik bhaao, aur dharm ki aazaadi.**

Is aazaadi me sabhi maamlo par vichaar ki aazaadi, vishwaas rakhne ki aazaadi, dharm ya vishwaas ke prati zimmedaari ki aazaadi aur niiji vishwaas ki aazaadi shaamil hai. Yeh apni

pasand ke dharm ya vishwaas ko maanne ya apnaane ki aazaadi par kisi bhi rukawaton ki anumati nahi deta hai. Kisi ko bhi apne vichaar ya kisi dharm ya vishwaas ke paalan ko prakat karne ke liye majboor nahin kiya jaa sakta hai.

- **Dharm ya vishwaas badalne ki aazaadi.**

Sabhi logon ko yeh adhikaar hai ki weh apne dharm ya vishwaas ko chodh dein aur dusre ko apna lein, ya bilkul bhi bina kisi vishwaas ke hi rahein. Kisi vyakti ko kisi nishchit dharm ya vishwaas ko apnaane, badalne ya rakhne ke liye majboor karne ke liye shaareerik bal, saza ke pratibandho, neetiyon ya prathaaon ke istemaal par rok hai.

- **Saarvaajanik aur niji taor par, vyaktigat aur saamuhik rup se (publicly), apne khud ke dharm ya vishwaason ko prakat karne aur maanne ki aazaadi.**

Har ek vyakti ko raajye ya kisi anye dhaarmik samudaae ki swikriti ke bina apne dharm ya vishwaas ko shaantipurwak prakat karne aur dusron ke saath baatne ka adhikaar praapt hai. Yeh adhikaar rejistad dhaarmik samaajo ke sadasyon ke liye hi nahi hai. Iske alaawa, apne adhikaaro ka anand lene ke liye dhaarmik samaajon ya sangathanon ke liye rejistreshan aawashyak nahi hona chahiye.

- **Shishyeta, abhyaas, bhakti aur paalan ke maadhyam se apne dharm ko prakat karne ki aazaadi.**

- **Bhakti, paalan, abhyaas aur shikshan me dharm ya vishwaas prakat karne ki swatantrata me kayi tarah kaareye shaamil hai:**

- Bhakti aur paalan anushtaan aur aupchaarik kritiyon tak faela huwa hai jo vishwaas ko seedha rukh deta hai, saath hi saath bhakti ke sthaano ke nirmaan, anushtaan(ritual) prathaaon aur vastuwon ka upyog, prateekon ka pradarshan, aur paalan sahit aese kritiyon ke abhinn ang hai, chuttiyon aur aaraam ke dino ki.

- Dharm ya vishwaas me dhaarmik dalon dwara unke buniyaadi maamlo ke aachran ke abhinn ang shaamil hai, jaise ki unke shaarmik netaaon, pujaariyon, aur shikshakon ko chunne ki aazaadi; seminary ya dhaarmik skool sthaapit karne ki aazaadi; aur dhaarmik granthon ya prakaashano ko taeyaar karne aur baatne ki aazaadi.

- **Maata-pita aur gardiyans ki apne bachchon ya vidhyarthiyon ko dhaarmik ya naetik shiksha praapt karne ki aazaadi uski apni maanyataaon ke anusaar ho.**

Bachchon ko apne maata-pita ya gardiyans ki ichcha, dharm ya vishwaas ke anusaar dhaarmik shiksha praapt karne ka adhikaar praapt hai. Isi tarah, bachchon ko aesi dhaarmik shiksha praapt karne ke liye zabardasti nahi kiya jaana chahiye jo unke maata-pita ya gardiyans ki ichcha ke khilaaf ho. Bachche ke sarvuttam hiton ke siddhaant ke anusaar, Shaasan ko skoolon me dhaarmik dhaeryesheelta ke maahol ko protsaahit karna chahiye aur bahulwaad(pluralism) aur dhaarmik bahurupta ke prati sammaan ko badhaawa dena chahiye.

KYA IN AAZAADIYON KI KOI BADHAAEN HAI?

Haan. Kuch badhaen hai jo kanoon dwara dee gayi hain aur unka uddeshye saarvajanik suraksha, vyavastha, swaasth, naetikta aur dusron ke awashyak adhikaaron aur aazaadiyon ki raksha karna hai. Haalaanki, bhedbhaapurn uddeshyon ke liye pratibandh nahi lagaae jaa sakte hain ya bhedbhaapurn tarike se laagu nahin kiye jaa sakte hain.

SAAMAANYATA DHOONDHNA

Logon ke roop me, hamare paas jo vishwaas hai use chunne, baatne, aur jeene ki aazaadi hai. Hum aam taur par apne jivan me maargdarshak siddhaanton ke roop me apni dhaarmik aazaadi aur vishwaaso ko pyaara maante hai. Jis tarah se hum apne dharm aur vishwaaso ko mahatwa dete hain, hamein sabhi logon ke dhaarmik aazaadi aur vishwaas ke adhikaaron ko zyaada mahatwa dena chahiye. In aazaadiyon ke mahatwa ko jaante huwe, hum apne samaajon me aazaadi ke siddhanton ko kaise baat sakte hain? Jab hum alag alag vishwaas rakhne waale logon ke saath baatcheet karte hain toh kya saamaanyata dhoondhne ka koi tareeka hai?

Diye gaye stretajees aapko apne samaaj me saamaanyata dhoondhne ki anumati de sakti hain:

SUCHIT HO JAAO

Isse pehle ki aap apne ya dusron ke dhaarmik vishwaaso ki raksha kar sakein, dharm ki aazaadi ke adhikaaron aur buniyaadi siddhaanton ko jaanna aur samajhna zaroori hai. Is broshar me aapke adhikaaro aur dharm ki aazaadi ki buniyaadi baaon ke sambandh me kuch upyukt jaankaari hai. In aazaadiyon ko prabhaawit karne waale pragati ke liye samachaar dekh kar dhaarmik aazaadi me badlaao ke baare me jaagruk rehne ki koshish karein.

SABHI PAKSHON KO SUNEIN

Dusre logon ke dharmon aur sachche vishwaason ko sunne aur unke prati chinta dikhaae. Yahan tak ki agar aap dusre ke vishwaason ya purn vishwaas se aseemat hai, toh samajhne ki koshish karne aur unke drishtikon ka sammaan karne par dhyaan kendrit karein. Logon ke shabd, vishwaas aur kaarye kayi pehluwon se prabhaawit hote hai. Aapko dusron ki bhaaonaaon ke prati sanvedansheel hona chahiye jaisa ki aap samajhte hai aur apni stithi ka paalan karte hain, aur aapko dusron se apne imaandaar dhaarmik vishwaason se naaraaz nahi hone ke liye kehna chahiye.

SHARAAFAT KA ABHYAAS KAREIN

Vichaaron aur vishwaason ke matbhedon ke saath ek samaaj ke rup me rehne ke liye, yeh jaanna zaroori hai ki bahes kaise karein aur na ki kewal kya bahes karein. Bahes se sambandhit vishayon par aapka sanchaar jhagdaalu nahi hona chahiye. Sahi aur nispaksh hone ki koshish karte huwe sabhi logon ko ek dusre ke saath shishtta aur sammaan ke saath pesh aana chahiye. Jab aapki stithi achchi na ho, toh aapko pratikul parinaamon ko shaaleenta aur shishtta se swikaar karna chahiye. Nasal, jaatiyeta, dhaarmik vishwaas ya avishwaas, aur yaon(sexual) oryanteshan me antar ke aadhaar par atyachaar sahit kisi bhi prakaar ke atyachaar ko aswikaar karna yaad rakkhein.

DHAERYESHEELTA KO BADHAWA DEIN

Logon ko matbhed hote huwe bhi shaantipurwak ek saath rehne me saksham hona chahiye. Shaantipurwak jeene ka matlab yeh nahi hai ki aapko apne stithiyon ko tyagne ki awashyakta hai; balki, iska matlab hai ki aapko un logon ke saath shaanti se rehne ki koshish karni chahiye jo aapke mulyon ko baatte nahi hai ya un shikshaaon ko swikaar nahi karte hain jin par weh aadhaarit hai. Apne aas-paas ke logon ko vyavahaar ke mulyon aur aadharshon ko seekhane ki koshish karein, unhe khud se door kiye bina ya jo alag hai unke prati anaadar dikhaae bina.

BHAROSEMAND RISHTE BANAAE

Apne samaaj me alag-alag raae rakhne waalon ke beech bharsemand rishte banae. Jaise-jaise aap zyaada logon ko janne lagenge aur jaise-jaise weh log ek dusre ke vishwaaso ko samajhne lagenge, waise-waise aap dusron ke adhikaaron ki raksha karne ke tareekin khojne me behtar tareeke se saksham hongee jisse sabhi ko laabh hoga. Is baat par dhyaan dein ki aapke paas apne padosiyon aur saathi naagriko ke saath kya samaanta hai. Phir, jab aap ek saath kaam karte hai, toh dharm aur dhaarmik aazaadi ke mahatwa ke baare mein bolein.
